What a great day to shoot a great match!! Thanks, Guys, for coming out to participate in the AASA All Steel Fun Shoot. Hope you had a great time and will be back for more. Congrats to Don Hardy for his excellent shooting! Some of his runs were really smokin'!! I think he is warming up for a good AASA Nationals Challenge run! Kudos to most improved shooters Dan Nestus, Thomas Hickman and Tod Hartwick. What a great improvement from their last fun shoot. Also, kudos to 1st B finisher Richard Delgado. Richard shot a strong match to finish with a solid score for 2nd Overall Stock Auto. Way to go, Richard! It was great to see all the old timers and crips there as well. John Hurt is recovering from a very serious motorcycle accident and it was great to see him movin so well on Movin' Poppers. Art Lovato had some great, clean runs in Super Senior Division shooting his Para Limited .40. Dave Braun also had his Glock smoking down the plates for 1st C. Many thanks to Jimmy Tuma for returning from a long absence to put his Glock back to work as well. He at least could really see those fiber optics on the top of his slide. Mine was somewhere lost in the dirt. Hopefully, my new Bar-Sto 6" ramped 9mm barrel will be here soon so I can get my STI Steel Gun built soon. Speaking of STI and Bar-Sto, they just sent AASA some great give-away prizes for the Nationals. STI donated a top line 38 super slide with all the right cuts and Bar-Sto sent TWO Gift Certificates this year for \$200.00 each for their top line barrels!!! The sponsor items are trickling in now, and it looks like we'll have another great prize table for the 2007 AASA Man -on-Man Shoot-offs Nationals. Please consider shooting one or all of the events. THANKS, Ted
